Dear Parents,

Next week, our school will conduct one emergency drill. This drill will focus on the General Response Protocols (GRP) for a soft lockdown.

Please use the GRP Summary Guide (<https://www.schools.nyc.gov/school-life/safe-schools/emergency-readiness>) to discuss our responses with your child in advance of this drill.

Please feel free to contact AP Coccia at 718-977-4800 Ext 3001 if you have any questions.

Sincerely,

Laura Van Deren

Principal
